

FAQ / Syllabus

1. Who teaches this class?

| Instructor | Email |
|---------------|---------------|
| John Williams | jrwm@mit.edu |
| Abel Sanchez | doval@mit.edu |

2. Who are the teaching assistants?

| Teaching Assistant | Email |
|------------------------|-----------------|
| Aramael Pena Alcantara | aramael@mit.edu |
| | |

3. When and where are 1.00 office hours?

| Days | Hours | Location |
|--------|-------|----------|
| Friday | 8am | Zoom |

4. When does 1.00 lecture meet, and what do I need to bring to class?

| Days | Hours | Location |
|-----------|--------------|----------|
| Monday | 9:30-11:00am | Zoom |
| Wednesday | 9:30-11:00am | Zoom |
| Friday | 9:30-11:00am | Zoom |

Mondays and Wednesdays (Lectures/Active learning) from 9:30-to-11:00am, Fridays (Lab/Active learning) from 9:30-11:00pm in room 1-390. All classes are active learning sessions. Please bring your laptop computer to every class. We allow students to miss at most two Lecture sessions (and in class exercises) and one Lab without penalty. In case of extenuating circumstances, please contact the staff.

5. When do recitations meet?

There are no separate recitations, if you need help we are online almost all the time.

6. Do I need a laptop computer? How do I get one?

Laptop computers are required for class participation in 1.00, in all lecture/lab and recitation sessions. Please use your own laptop if you own one. A laptop with at least 1 GB of memory running Windows Vista, Windows 7, Mac OSX or Linux is needed to run the 1.00 software. A limited number of loaner laptop computers are available; please contact IS&T to request one at <http://ist.mit.edu/services/hardware/lcp/form>. You may also share a laptop if necessary.

7. How do I get support or help with my loaner laptop?

Laptop Support: 617-253-1101 or helpdesk@mit.edu. Call or email to arrange a time.

8. What is the 1.00 grading policy?

| Description | Quantity | % Of Grade |
|---|----------|------------|
| Homework Sets | 5 | 35% |
| Active Learning Exercises (written during class) | 10 | 5% |
| Weekly recitations, graded on attendance and participation | 11 | 5% |
| Quiz | 1 | 20% |
| Final project | 1 | 35% |
| Final Exam | 0 | 0% |

9. What is the makeup quiz policy?

You must request a makeup quiz at least two weeks before the quiz date, unless there is a medical or family emergency that arises after that. Email the Head TA if you need a makeup quiz. Valid reasons include MIT-related travel and intercollegiate athletics. Schedule job and school interviews to avoid quiz dates; there are only two quizzes in 1.00 and you must be here for them. We do not automatically schedule makeup quizzes; if no one has requested one two weeks ahead of time, none will be offered (other than for medical or family emergency).

10. How do I get my grades?

Graded homework sets and quizzes will be returned in recitation about 10 days after they are submitted.

11. Can I register for 1.00 if I'm a graduate student? Or 1.001 if I'm an undergrad?

If you are a graduate student, you must register for 1.001 instead of 1.00. Undergrads must register for 1.00; you cannot register for 1.001.

12. What if I'm a cross-registered student (Harvard, Wellesley, Tufts, others)?

If you are cross-registered, please email the Head TA to request a Canvas account as soon as possible. It takes about a day.

13. What if I have additional questions?

Please contact your TA or the instructor during office hours or after class or recitation.

14. Is there a final exam?

No
